

Association of Professional
GENEALOGISTS
Ontario Chapter

- ✓ Membership in Chapters of the Association of Professional Genealogists (APG) is open to paid-up, current members of the APG. Complete APG information can be found at <http://www.apgen.org>.
- ✓ The Ontario Chapter of the Association of Professional Genealogists is composed of members across the province—researchers, writers, publishers/booksellers, archivists, librarians, instructors, and webmasters. We share the goals of practicing and promoting high standards in genealogical projects and discussing mutual professional issues. Chapter benefits include a minimum of four meetings per year, OCAPG mailing list, occasional special events and the promotion of your professional services on our website.
- ✓ Chapter membership fee is \$12 for APG members.
- ✓ Most of our meetings are held online via audio-visual technology. We also often plan chapter activities in conjunction with the Ontario Genealogical Society’s annual Conference. Interested genealogists who are non-APG members are welcome to attend our social meetings and special events.

For further information visit: <http://www.ocapg.org> or contact us by email at info@ocapg.org or by telephone 705-742-3218.
